Dear Fellow Trinity Member or Friend,

Our Cathedral is a thriving urban community of faith, now in its third century of service! We are committed to inspiring worship, thought-provoking education, dedicated service, and determined advocacy. We invite you to explore the many ways you can become further engaged in our vital and diverse community.

Becoming involved in one of Trinity’s many ministries is one pathway to deepening your faith and commitment. It is part of our efforts to create a better world! OPPORTUNITIES for Education, Ministry and Fellowship is your resource guide to the 37 ministries that Trinity Cathedral offers its members and friends. This booklet was prepared by Trinity’s Cathedral Council, which oversees and supports the ministry program.

Cathedral Council is a distinct governing body of Trinity. It is responsible for advising the Vestry on matters concerning the mission, outreach/community ministry, and congregational life. We are a body of twelve elected congregational members, supported by clergy and staff. We meet regularly and welcome your comments and questions.

We invite you to join us in faith service and help Trinity fulfill its mission—*to proclaim in word and action God’s justice, love and mercy for all creation*. On behalf of Cathedral Council, we thank you for your interest and support.

Yours in faith,

2018-2019 Cathedral Council

Lasting about an hour, the BHF is presented twice, usually the Saturday following Christmas. The BHF is a series of vignettes celebrating the Light of Christ entering a darkened world. Singing is valuable but not necessary—one large rehearsal.

Episcopal Peace Fellowship (EPF). Trinity members, youth and adults, can belong to our chapter of this national Episcopal organization that addresses issues of peace and justice in our community, the nation, and the world. Examples of potential areas are Middle East relations, “Defending Those Without a Voice” (Standing Rock Reservation, N/S Dakota), the death penalty, and criminal justice issues such as human trafficking and mass incarceration. The Trinity community is kept aware of these concerns through our own education, advocacy and workshops, and resource centers in the Greater Cleveland area that are active in these areas and provide relevant materials and guides for action. Young adult inter-community networks and pilgrimages are potential avenues for us. All persons in the Diocese of Ohio are welcome to participate.

It is also a sacred place set aside for you to reflect and seek spiritual insight, guidance and inspiration. The rhythm of walking, placing one foot in front of the other, empties the mind, relaxes the body, and refreshes the spirit. Trinity’s canvas labyrinth is placed in the Nave of the Cathedral for public walks each week from Monday through 3:00 pm on Friday. All are welcome, and while there is no formal introduction needed to walk, we are happy to provide you with a personal introduction. Trinity also offers several community labyrinth walks throughout the year. Please consult the calendar for specific dates and times.

Trinity Cathedral
1816 - 2018

Founded in 1816, Trinity is Cleveland’s oldest continuing congregation. Early members included pioneering and entrepreneurial families whose courage and faith helped grow a city. Trinity prospered and built Cleveland’s first church building in 1829. In 1890, Trinity became the Cathedral for the Episcopal Diocese of Ohio. The vision for a grand urban Gothic cathedral—a parable in stone—became a reality in 1907. Located in the heart of Cleveland, Trinity Cathedral has been an integral part of Cleveland’s social, economic and spiritual development almost since Cleveland’s founding.

Trinity is a living “Cathedral for Cleveland.” Our three hunger ministries meet the needs of our downtown and neighborhood hungry. Our renowned music--open to all—offers inspiration from choral Evensong and the annual Messiah Sing to BrownBag and evening concerts. We are a voice of inclusion in our community. We proudly advocate for economic, social and criminal justice that affirms the dignity of every human being through Greater Cleveland Congregations and other advocacy ministries.

In partnership with the Episcopal Diocese of Ohio, we rebuilt our campus as shared community space in 2002. Named Trinity Commons, it was an act of faith in the renewal of downtown Cleveland, and together we have welcomed more than 2.5 million visitors. The Commons is a symbol of our hope and rejuvenation for a shared future in a once-distressed neighborhood.

Trinity today has so much to offer. We are a vibrant, diverse and engaged congregation of over 1,000 strong, drawing from every corner of Cleveland and Northeast Ohio. We are the center of life and service in the Episcopal Diocese of Ohio. Music, art, education, civic conversation, and collective action are central to who we are and how we serve each other and our community. Trinity is a house of prayer where all God's people are welcome, regardless of religious affiliation.

Amazing things happen at Trinity! Please join us in our third century of faith-based service to our congregation, Diocese- and the Greater Cleveland community.
