Good Friday Offering: Creating new relationships with and among Christians in the Middle East

A message from The Most Rev. Michael Curry, Presiding Bishop & Primate of The Episcopal Church

"The Good Friday Offering of our Church is one way to help connect the love of Christ on the cross with our support of the ongoing ministry of love and compassion carried out by our Anglican sisters and brothers throughout the Province of Jerusalem and the Middle East.

Whether funding a hospital in Gaza or the West Bank, or an eye clinic in Aden, or women's programs, or summer camps and leadership training for young people, the Good Friday Offering is making a difference in the lives of so many. I have witnessed this Jesus-inspired compassion and commitment at work with my own eyes. I believe our partnership with those who keep the faith of Jesus alive in the region, where our Lord walked and began his movement, is a significant aspect of our work as part of the church catholic."

Envelopes will be available in church on Good Friday, checks should be made payable to the Domestic and Foreign Missionary Society.

Write "Good Friday Offering" in the memo line.

How did an obscure rabbi from a backwater of the Roman Empire come to be the central figure in Western Civilization? Did his influence in fact change the world? These are the questions Thomas Cahill addresses in his subtle and engaging investigation into the life and times of Jesus

Food for Families: Taking a Summer Break

Food for Families @ Marion-Sterling will be taking a break for the months of June, July and August. Our last distribution before the summer break will be Friday, May 10th. Our collection of staple items/canned goods will end April 28th. All food items collected by that date will be distributed at the May 10th pantry. Food for Families will return in September when the new school year has begun.

Historically, our numbers drop in the summer due to the summer recess. Research through the Marion-Sterling partnership has found that other food

pantries, soup kitchens and summer programming involving meal programs are available to students and their families in the Central neighborhood. -

***Thank you to everyone who has
donated food items to our ministry.***
