## The Harvest Season Has Begun!

From now through late September, we could use lots of extra hands to help with the harvest and related tasks. The Farm has already harvested over 500 pounds of veggies and herbs, and we anticipate a lot more to come in August and September.

Please consider volunteering at the Farm. This week we expect a substantial amount of zucchini, collard greens, kale, cucumbers, and perhaps some early ripe tomatoes. Don't have a lot of time? Even a half hour will help. Many hands make for productive work, and we'd love to see you this Saturday, any time between 9 a.m. and 12 p.m. The Farm is located at the corner of E. 35 St. and Cedar Rd., less than one mile from the Cathedral.

### [DONATIONS APPRECIATED](#)

The faithful farm volunteers continue to raise funds for all the equipment and supplies they need for a bountiful harvest to be shared with hunger programs throughout Cleveland. Visit [bit.ly/urban-farm-ioby](http://bit.ly/urban-farm-ioby) to make a financial contribution in support of this food service ministry.

All interested parties are invited to contact Allie Heeter at [aheeter@trinitycleveland.org](mailto:aheeter@trinitycleveland.org) for more information.

# RISE FOR REFUGE

NATIONWIDE | AUGUST 3, 2019

We Are a Nation of Refuge, Not Rejection

Episcopal Migration Ministries, partnering with the group We Are All America. "On the heels of Trump barring virtually all refugees from seeking asylum at the U.S. southern border, reports have surfaced that administration officials are pressing to zero out refugee resettlement for 2020. This would result in a near total refugee ban, collapsing the U.S. Refugee Resettlement program and the infrastructure of humanitarian protection this country has built over decades - all during the worst global refugee crisis in history. We Are All America and partners ask you to join us in calling for a national day of action and mass mobilization in response on Saturday, August 3."
