## What is FreeWill?

The FreeWill platform is used because it provides a free and user-friendly online tool for basic estate planning, allowing individuals to create and/or update legally valid wills and other documents online. It is supported by partnerships with nonprofits, making it accessible to many people who might otherwise find the process too complex or expensive. The platform is also geared towards facilitating charitable giving, as users can easily include bequests to causes they care about.

FreeWill offers a user-friendly platform for individuals who want to create a legally valid last will and testament using simple online forms. In addition to wills, the service includes other essential end-of-life planning documents, such as a durable financial power of attorney and a living will, all available at no cost. FreeWill's mission is rooted in charitable giving, which also supports its business model through partnerships with nonprofit organizations. While the platform does not offer live representatives or legal advice, it allows users to create an account, complete their documents in just a few minutes and revisit them at any time. Users can log in to update or download their forms as needed, making it a convenient and accessible option for basic estate planning.

## Why FreeWill?

Through Trinity Cathedral's new partnership with [FreeWill](#), you can now create your legal will—entirely free of charge—in 20 minutes or less. It's a simple, thoughtful way to:

- Protect your loved ones and assets
- Ensure your wishes are honored
- Reflect on your faith, values, and enduring support for Trinity's mission

You'll also have the opportunity to include an optional planned gift to Trinity Cathedral if you feel called to do so, sustaining our sacred space, community programs, and commitment to the arts for generations to come.

**Prayerfully consider making your free will today.**

**Let us know about a gift in your will**

It can often be difficult to plan and make sure that your gifts are used in line with your wishes if they are left unknown. But more importantly, we want to say thank you for considering our ministry as a part of your legacy.

We know that life circumstances can change and you may need to alter or reconsider your gift in the future. That's all right — reporting your gift today does not obligate you now nor in the future. If you have made a planned gift that designates Trinity Cathedral as a beneficiary, please let us know so that we can thank you and welcome you into the Trinity Cathedral Legacy Circle.
